The 2010 International Conference on Informatics, Cybernetics, and Computer Applications (ICICCA2010)

July 19-21, 2010

Gopalan College of Engineering & Management, Bangalore, India

Introduction

The 2010 International Conference on Informatics, Cybernetics, and Computer Applications (ICICCA2010) is a forum for scientists, engineers, and practitioners to present their latest research results, ideas, developments and applications in the areas of Information Retrieval, Computer Security, Computational Intelligence, Artificial Intelligence, Networking, Neural networks, Network security, Biometrics Technologies and Applications, Pattern Recognition and Biometrics Security, Bioinformatics and IT Applications in the above themes.

This conference (ICICCA 2010) will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers. This conference welcomes papers address on, but not limited to, the following research topics:

- | | |
|--|---|
| <ul style="list-style-type: none"> ■ Information and Data Management ■ Data and Network Mining ■ Computational Intelligence ■ Biometrics Technologies ■ Forensics, Recognition Technologies and Applications ■ Biometrics and Ethics ■ Fuzzy and Neural Network Systems ■ Signal Processing, Pattern Recognition and Applications ■ Digital Image Processing ■ Intelligent Agent-Based Systems, Cognitive and Reactive Distributed AI Systems ■ Distributed AI Systems ■ Internet Modelling ■ User Interfaces, Visualization and Modelling ■ XML-Based Languages ■ Security and Access Control ■ Trust Models for Social Networks ■ Information Content Security ■ Mobile, Ad Hoc and Sensor Network Management ■ Web Services Architecture, Modelling and Design ■ New Architectures for Web-Based Social Networks ■ Semantic Web, Ontologies (Creation , Merging, Linking and Reconciliation) | <ul style="list-style-type: none"> ■ Web Services Security ■ Quality of Service, Scalability and Performance ■ Self-Organizing Networks and Networked Systems ■ Data Management in Mobile Peer-to-Peer Networks ■ Data Stream Processing in Mobile/Sensor Networks ■ Indexing and Query Processing for Moving Objects ■ User Interfaces and Usability Issues form Mobile Applications ■ Mobile Social Networks ■ Peer-to-Peer Social Networks ■ Sensor Networks and Social Sensing ■ Social Search ■ Social Networking Inspired Collaborative Computing ■ Information Propagation on Social Networks ■ Resource and Knowledge Discovery Using Social Networks ■ Measurement Studies of Actual Social Networks ■ Simulation Models for Social Networks ■ Cloud computing ■ Grid computing ■ Green Computing |
|--|---|

Important Dates:

Submission Date	February 1, 2010 - May 20, 2010
Notification of acceptance	June 05 , 2010
Camera Ready submission	June 15, 2010
Registration	June 15, 2010
Conference date	July 19-21, 2010

Contact: icicca@dline.info

See for further details: <http://www.dirf.org/icca2010>

Location

ICCA 2010 will be organized by Gopalan Engg College, Bangalore, India in cooperation with the [Digital Information Information Research Foundation](#) (DIRF) located in India. All the activities of the conference will take place in India.
